

PRODUCT OVERVIEW

THE RIGHT TOOL. AT ALL TIMES.

Welcome to Hofmann & Vratny. As leading manufacturer of solid carbide tools, we enable companies throughout the world to manufacture their products.

Every day, our strong team works on our collective goal of producing the best tools in the world. Companies from the medical industry, semi-conductor industry, machine and plant construction, aviation, aerospace engineering and, not least, the automotive industry have been using our milling cutters for decades now. Quality – Made in Bavaria.

The success of our company is built on innovation, a culture of cooperation, open interaction with high respect and many years of successful and trustful collaboration with our business partners. You can always count on us, our tools and our irrepressible drive to shape the future of the industry together. To us, that means shaping tomorrow.

5 = HE

DIMENSION

3x10 Cutting diameter x length of undercut
12/0,5 Cutting diameter / corner radius
10 Diameter

EXPLANATION APPLICATIONS

Multipass milling	Trimming	Deburring	Engraving
Corner rounding	Full slot milling	Forward and backward deburring	Helical immersion
Feed directions x,y	Feed directions x, y, z	Feed directions x, y, (z = ramping)	Drilling

BCU1 SERIES
