

## POWER MASTER Chucker

|                     |                                   |               |
|---------------------|-----------------------------------|---------------|
| Capacity            | Max. machining diameter           | Φ39 "         |
|                     | Swing over bed                    | 34 "          |
|                     | Swing over gap                    | 42 "          |
| Spindle             | Max. spindle speed                | 1200 rpm      |
|                     | Max. torque (40%ED)               | 5369 ft-lbs   |
|                     | Spindle motor (40%ED)             | 45 kW (60 HP) |
|                     | Spindle motor (cont. rating)      | 37 kW (50 HP) |
| Turret              | Turret type                       | 8-tool turret |
|                     | Tool storage capacity             | 8             |
| Travel              | X-axis                            | 25 "          |
|                     | Z- axis                           | 45 "          |
| Rapid traverse rate | X-axis                            | 472 IPM       |
|                     | Z- axis                           | 472 IPM       |
| Machine size        | Width × Length (MAZATROL SmoothC) | 206 " × 110 " |
|                     | Height                            | 86 "          |
|                     | Machine weight                    | 23336 lbs     |
